The International Conference on Innovative Research and Development (ICIRD) is being held on 28-30 June 2019 on the prestigious campus auditorium and seminar facilities of the Universitas Indonesia, in Depok City. ICIRD 2019 is being organized and sponsored by Faculty of Engineering Universitas Indonesia and IEEE Malaysia Section IMS Chapter. The theme of this conference is "Innovative Research is Driving our Future". The International Conference on Innovative Research and Development (ICIRD) 2019 will provide a meeting place for the sharing of novel ideas and research findings in the field of engineering, technologies, social sciences & business management. Its main goal is to foster multidisciplinary knowledge exchange by researchers and developers as well as research students and professional experts. We invite original and unpublished works by Academics, Researchers, Business Leaders, Experts and Executives from Universities and industrial research institutes to submit for the conference.

SCOPE

The conference will be consisted of following topics, but not limited:

- Bioengineering
- Communication, Networking and Broadcast Technologies
- Components, Circuits, Devices and Systems
- Computing and Processing
- Engineered Materials, Dielectrics and Plasmas
- Engineering Profession
- Fields, Waves and Electromagnetics
- General Topics for Engineers
- Photonics and Electro optics
- Power, Energy and Industry Applications
- Robotics and Control Systems
- Computer and Information Technology
- Transportation
- Computing and Processing
- Engineered Materials, Dielectrics and Plasmas
- Engineering Profession
- Fields, Waves and Electromagnetics
- General Topics for Engineers
- Photonics and Electro Optics
- Signal Processing and Analysis
- Software Engineering

PUBLICATION

ICIRD Review Committee is made from Faculty of Engineering Universitas Indonesia, the IEEE IMS Malaysia Chapter members and the IUM campus Faculty of Engineering IEEE members. The 2nd IEEE International Conference on Innovative Research and Development (ICIRD) is an IEEE indexed conference with **Conference Record #47319**. The ICIRD proceedings will be submitted for inclusion in the IEEE Xplore Digital Library. ICIRD is also exploring multiple options of SCOPUS and ESCI indexed publications. The papers will be split into papers as per the scope and template of journals before submission including UAE, Pakistan, South Korea, Swiss journals (MDPI), USA journal and Malaysian Journals of high repute, consisting of:

- Journal of Mechanical Engineering & Science, ISSN: 2231-8380
- International Journal of Power Electronics and Drive System, ISSN: 2088-8694
- Bulletin of Electrical Engineering and Informatics (BEEI), ISSN: 2089-3191, e-ISSN: 2302-9285
- Journal of Advanced Manufacturing Technology, ISSN:1985-3157, e-ISSN: 2289-8107
- International Journal of Integrated Engineering, ISSN: 2600-7916
- IUM Engineering Journal, ISSN: 2289-7860
- International journal of control and automation ISSN 2207- 6387
- International journal of advanced science and technology ISSN 2207-6360
- International journal of future generation, communication and networking ISSN 2207-9645
- International journal of security and its application ISSN 2207-9629
- International journal of grid and distributed computing ISSN 2207-6379
- Technologies 2227-7080 ESCI
- Proceedings 2504-3900`
- Computation 2079-3197, Scopus, ESCI
- Informatics 2227-9709, ESCI
- Journal of imaging 2313-433X, ESCI

DEADLINES

- Full paper submission:** 31 May 2019
- Notification of acceptance:** 10 June 2019
- Early bird Registration:** 10 June 2019
- Final paper submission:** 15 June 2019

CO-ORGANIZERS

- Faculty of Engineering Universitas Indonesia
- IEEE IMS Malaysia Chapter
